- A. Middle Pointe spray paint – Commission wants the residents to enjoy the city, but needs to figure how to remove the bases that have been painted on street, maybe use a pressure washed and paint thinner.

The Shanks want to know what it would take to leave the painted bases on the streets and the removal of bases sends a message that city is against enjoying the streets.

Mark talked to Matt Carey, City Attorney and for legal and safety reasons, the City cannot allow a playground on public streets. It is a liability issue.

Council makes decision to not allow painting on streets so as not to set a precedence but will allow chalk to be used.
