**Newsletter**

*October 2020*

Dear Broeck Pointe Residents,

We hope you are enjoying the lovely transition to Fall and are gearing up for an enjoyable and safe halloween.

Since we have a lot of cross traffic during Halloween with the neighboring City of Manor Creek, their Mayor, John Young , and our City Council have agreed to do our best to ensure safe trick or treating to keep a sense of normalcy during these trying times of the COVID-19 Pandemic. Halloween is a treasured time of year for many, so this is what we suggest:

While trick or treating is never a City sponsored event, we recommend that residents carefully consider the CDC's guidelines. You may look up these recommendations on either [Louisvilleky.gov](http://Louisvilleky.gov) or [CDC.gov](http://CDC.gov).

The City would like to suggest some safety protocols, but obviously personal safety will be at the discretion of each resident.

The Commissioners and I are really enjoying the decorative enthusiasm by the residents for Halloween this year and we hope residents continue to do so throughout the upcoming holiday seasons.

We'd also like to welcome the numerous new residents who have moved into our Community. With that being said, Commissioner Wendy Petruska will be collecting all the new resident's information and will be getting out a new City Directory in the near future. If you would like, your information can be in the City website directory too. Just let us know.

And residents, please feel free to check out our new website at: [broeckpointe.com](http://broeckpointe.com) for any new updates we may post.

Congratulations to the Yard of the Month winners:

July – Davis - 3410 Broeck Pointe Circle Gaydos - 3402 Cross Pointe Rd.	September – Faulkner – 3216 Broeck Pointe Circle Jones - 3402 Broeck Pointe Circle
August – Boyd – 3213 Broeck Pointe Circle Meeron - 3409 Broeck Pointe Circle	October – Hernandez - 3226 Broeck Pointe Circle Hoback - 8905 Middle Pointe Rd.

With great appreciation and regard, Mayor Mark Petruska

P.S. As always, if an resident has any questions, please feel free to call me at: 502-296-8927.
