

To all the Residents of the City of Broeck Pointe

We have changed the Recycling to a weekly pick-up, so as of **October 5, 2020**, it will now be every Monday.

Trash and yard waste pick-ups have not changed. We will still have Monday and Thursday for trash and Thursday for yard, except in January and February when we only have the once a month pick-up on the second Thursday of those two months.

As a reminder of what is allowed in the recycling bins:
